

Speaker of the House of Representatives welcomed the Chief of Pharmaceutical Section, Chao Phya Abhaibhubejhr Hospital, Prachinburi Province, Director of the Institute of Nutrition, Mahidol University, and delegation

---

16 June 2020

On Tuesday 16<sup>th</sup> June 2020, at 13.30 hrs., at a working group room of the Speaker of the House of Representatives, 3<sup>rd</sup> Floor, Parliament Building, H.E. Mr. Chuan Leekpai, President of the National Assembly and Speaker of the House of Representatives welcomed Dr. Supaporn Pitiporn Head of Pharmaceutical Section, Chao Phya Abhaibhubejhr Hospital, Prachinburi, Province, and Assoc. Prof. Dr. Ratchanee Kongkachuichai, Director of the Institute of Nutrition, Mahidol University, and delegation, who visited the Thai National Assembly in order to present a research on value of local vegetables and medicinal plants because the President of the National Assembly has been interested in this area of the research which is beneficial for consumers. In addition, it is an opportunity to develop and promote cultivation and generate income in order to increase economic value that affects the quality of life of the people as well.
