On Tuesday <sup>20<sup>th</sup></sup> October 2020, at 11.00 hrs., at the Press Conference Room 1<sup>st</sup> floor, Parliament Building, Hon. Mr. Chaiwut Thanakamansorn, Spokesperson of the Committee on the Draft Constitution of the Kingdom of Thailand Amendment (No. ..) B.E. .... before accepting the Bill in principle elucidated the progress of work of the Committee to study six amendment motions, which can be completed within the period of 30 days as anticipation. The Bill, which is expected to complete by 22<sup>nd</sup> October 2020, will be presented in a report to the parliament next week before being contained in the agenda in early November.

The main idea of the amendments to the constitution is to set up Constitutional Drafting Assembly to draft the amendment constitution with 2 approaches: validity to setup or invalidity to setup, in order to against the rules of the Constitutional Court, so that, it needs to hold the referendum first. However, the final conclusion is upon the decision making of Members of the Parliament. Moreover, the Committee also considered the pros and cons of each motion and prepared a summary report to submit to the Members of the Parliament for further decision.
